

PRESIDENTS LADIES' ASSOCIATION

2021 is an exciting year for our Ladies' Association as we go into our 40th year. At Presidents we have two leagues, one is an 18-hole weekend play and one a Monday evening 9-hole league.

The PLA has many levels of play and outstanding group of ladies. We play by the rules and keep a handicap to allow us to have the opportunity to play other courses at a competitive level. We have fun scrambles and play mixed tournaments. To close out our golf season we have an awards banquet.

Our fun bunch of ladies welcome you to join us! If you are interested, please do not hesitate to call or write. Looking forward to all new members!
